Positive Coaching Scotland Workshops

Develop a football culture in Scotland where young players are developed positively, learn to win through effort and develop skills for life through football.

Positive Coaching Scotland (PCS) aims to; • Create a more enjoyable football experience for all involved • Supporting the teaching of life lessons and character development • Foster better player development and performance • Keep young people in football longer.

PCS Workshops are available for club coaches, parents and players and are available upon request.

Local Courses

Regional Courses

National Courses

Please note additional bespoke 1.1 - 1.3 courses and Positive Coaching Scotland Workshops can be arranged for local football clubs and schools within Clackmannanshire if there is high enough demand.

To arrange an additional course please contact Clackmannanshire Council's Football Development Officer Martyn Buckie on [01259 452332](tel:01259452332) or mbuckie@clacks.gov.uk
